

Instructions Regarding Student Travel to Athletic Facilities

In Nebo School District, athletic practices and contests are generally held after regular school hours. In traveling to and from practices and “home” games, students are not under the direct supervision of school personnel and have responsibility for their own behavior. Some practice and/or competition facilities are not located on the campuses of Nebo School District schools. Those facilities include some baseball and softball fields, golf courses, some tennis courts, swimming pools and other facilities. In such cases, it may be necessary for students to arrange their own transportation to and from the facility. Students are directed to observe the following safety precautions when engaged in such travel:

1. Never ride in the open bed of a pick-up truck.
2. Always wear seatbelts and observe all traffic laws if traveling by motor vehicle.
3. Always wear a helmet and observe all traffic laws and safety precautions if traveling by motorcycle or bicycle.
4. If walking to a practice and/or competition facility, use sidewalks and cross streets at appropriately marked crossing locations. Watch for any approaching traffic when crossing streets. Avoid walking alone or after dark. Never accept a ride with someone you do not know.
5. Allow sufficient time in order to avoid acting under the stress of time pressure. Observe all reasonable safety precautions. Use good judgement and avoid taking any unnecessary risks.
6. If you are unable to arrange appropriate transportation on your own, contact your coach or a school administrator.
7. If you have any other questions regarding safety or travel arrangements, contact a school administrator.

We have read and understand the above instructions.
