- 1.4. **“Classified Position”**

- 1.5. **“Full-time”** means hired to work forty (40) hours per week.
- 1.6. **“Part-time”** means hired to work less than forty (40) hours per week.

- 1.7. **“Provisional Employee”** is defined in Nebo School District Policy GCPD, Employee Discipline, Administrative Leave, and Orderly Termination and means an individual, other than a Career Employee, a Temporary Employee, or an At-Will Employee, who is employed by Nebo School District on at least a half-time basis. Provisional Employees do not include Classified Employees employed at less than twenty (20) hours per week. Provisional Employees are hired on individual one-year contracts and have no expectation of continued employment beyond the current one-year contract term. Provisional Employees may be terminated during the contract term only for cause and according to the procedures outlined in Nebo School District Policy GCPD, *Employee Discipline, Administrative Leave, and Orderly Termination*. The contract of a Provisional Employee may be non-renewed with or without cause. However, if the District intends to non-renew the contract of a Provisional Employee for a subsequent term of employment, the District shall give notice of that intention to the employee at least sixty (60) days before the end of the employee’s contract term. If the employee’s supervisor deems it necessary for the benefit of the District and the employee to extend a provisional employee’s provisional status, it may be extended upon the request of the supervisor and approval of the Director of Human Resources. Provisional status may be extended in one-year increments for up to two additional years, in accordance with provisions set forth in state law, District policy, and this handbook. Unless hired as a temporary employee, all Classified Employees assigned to Lane A, C or D on the salary schedule are Provisional Employees and do not qualify for any benefits outlined herein unless specifically included by title.
- 1.8. **“Temporary Employee”** means employees hired on a substitute or short-term basis for a period of one year or less, including student employees, Child Nutrition helpers, custodial helpers, relief drivers, summer maintenance help and similar categories. These employees are At-Will Employees who have no expectation of continued employment. They may be terminated without cause and have no benefits.

2. CONTRACTUAL NATURE

- 2.1. This Handbook shall be binding upon all Classified Employees. In case of conflict between this Handbook and Board Policy, Board Policy shall govern.
- 2.2. The District administrative personnel will be instructed on procedures of policy relating to Classified Employees as such procedure affects their departments.

3. EMPLOYEE ASSOCIATION

- 3.1. Classified Employees may join any group or organization they desire except one advocating the overthrow of the government.
- 3.2. Members may refrain from joining any particular group, and membership in the Nebo Classified Employees Association is not a requirement for employment in the District.
- 3.3. Exclusive Representation Requirements. Refer to Nebo School District Policy GBA, *Employee Associations*.
- 3.4. A Communication and Procedures Committee (CAP) will meet as needed to discuss non-monetary issues.
- 3.5. Payroll Deduction for Dues. Dues assessed by the Nebo Classified Employees Association may be paid through a payroll deduction. An authorization to deduct must be filed by each employee desiring this service with the payroll department and may be rescinded at any time.

4. EMPLOYMENT STATUS

- 4.1. Each classified employee is one of the following:
 - 4.1.1. a temporary or at-will employee;
 - 4.1.2. a provisional employee; or
 - 4.1.3. a career employee.
- 4.2. A classified employee hired after January 10, 2018 in more than one position where the positions are substantially different will be identified as temporary, provisional, or career in relation to each position separately.
- 4.3. In addition to the designations in subsection 4.1, each classified employee is either exempt or nonexempt under the Fair Labor Standards Act (FLSA), as set forth more fully in Nebo School District Policy GCR, *Overtime, Compensatory Time, and Flexible Work Time*.
- 4.4. Each classified position will be designated in its job description and hiring authorization as either benefited or non-benefited. The designations refer to the definitions and descriptions set forth in this Handbook and District policy. The benefits afforded to one benefited position may differ from those afforded to another benefited position, as set forth herein.
 - 4.4.1. Full-time classified positions are benefited.
 - 4.4.2. Part-time classified employees offered benefits on or before January 10, 2018 are benefited.
 - 4.4.3. Except as designated by the superintendent, part-time classified positions held by employees hired to those positions after January 10, 2018 are non-benefited.
 - 4.4.4. A classified employee or position that is non-benefited receives no “benefits normally provided” as defined by the Utah State Retirement and Insurance Benefit Act, Title 49 of the Utah Code.
- 4.5. A nonexempt classified employee may not be employed for more than 40 hours per week, whether in a single position or a combination of positions.
- 4.6. A nonexempt classified employee working for the District in more than one position where the positions are substantially different may be employed for a maximum of 40 hours per week. The employee is considered a part-time employee in each position for purposes of benefits and designation of temporary, provisional, or career status.
- 4.7. A part-time employee who occasionally works 40 hours or more in a week, whether in one position or in multiple positions, is not a full-time employee

and is not entitled to benefits merely by virtue of having worked 40 hours or more in a week.

- 4.8. Letter of Intent. Provisional and Career Employees must notify the District each year, via the process outlined in the employee portal section of the District website, of their decision to continue employment with the District for the next school year. A Provisional Employee who notifies the district that he/she will be returning is not guaranteed a contract for the upcoming contract term, and the District may choose not to renew the employee's contract.
- 4.9. Long-Term Disability. If an employee is able to return to work after receiving benefits through the District's long-term disability insurance, the employee may be considered for a vacancy for which the employee is qualified to work. If the employee is hired, he or she may, at the discretion of the Director of Human Resources or designee, be reinstated on the same step of the pay scale as before the disability leave.
- 4.10. An employee who terminates his or her position to accept a new position with the District may be placed on the same step the employee held in the terminated position but in the new position's salary lane only if the new position is substantially similar to the terminated position, as determined by the Director of Human Resources.
- 4.11. Job Changes. Occasionally, the District must restructure the way it does business in various programs. When resultant job changes occur, the District will either make sure the new job fits its existing job study criteria or new job studies will be done. Employees could be affected in both the salaries involved and the numbers of workers required for the new circumstances. The District will attempt to find jobs for any displaced employees. The salaries will be based on the new job descriptions and the current salary schedule. Salaries for displaced employees will be frozen until the new step / lane catches up. Additionally, there may be times when it is in the best interest of the District to reassign a Classified Employee to a different position. These assignments are at the discretion of the District, which will make appropriate efforts to minimize the impact on the employee's lane placement, assigned hours, and assigned position.

5. PROFESSIONAL IMPROVEMENT

5.1. Inservice Training

- 5.1.1. Inservice training programs may be held periodically in order to assist employees in their personal development not only to increase their skills, knowledge and effectiveness in their present assignment, but also to prepare them for career opportunities in the future that may come in the form of a transfer or a promotion to a higher-level position in the District.
- 5.1.2. The District agrees to compensate employees for attendance at an out-of-District conference if prior permission is granted by the department head and the Superintendent.
- 5.1.3. If an employee is required to take employment-related classes, they shall have their tuition and time paid for by the District. 6. EMPLOYEE RESPONSIBILITIES

- 6.1. An employee may be called to work on an emergency basis. An employee required to report to work during an emergency outside the employee's normal working hours shall be paid a minimum of two (2) hours.
- 6.2. Lunch Breaks and Work Breaks. Full-time Classified Employees are entitled to a lunch break of thirty (30) minutes in length. The principal / supervisor will direct the employee as to the time period that this is to be taken. The lunch period is not part of the calculation of hours worked and the employee is free to leave. One fifteen (15) minute break for every four (4) hours worked may be counted as part of the work day.
- 6.3. Temporary Overnight Facilities for Students (Due to bad weather or other acts of God.)
 - 6.3.1. In the event that bus or regular students are unable to reach their homes safely, the District will provide a temporary overnight facility for them. Any school in the District will be available during conditions of emergency. Any employee can be called upon to assist in the emergency.
 - 6.3.2. As conditions warrant implementing the above plan, the District Office will alert the principal of the designated school. The Child Nutrition Department will make arrangements to provide necessary food. The principal will be responsible to contact his / her custodian as well as other needed supervisory personnel.
 - 6.3.3. If the magnitude of such an emergency exceeds the capabilities of the designated schools, other principals will be notified to follow the same plan in their assigned schools.

7. PROFESSIONALISM

7.1. Code of Ethics

- 7.1.1. Most Classified Employees are in daily contact with the children and youth in the schools. Since the conduct and character of each employee has a decided influence in shaping attitudes and behavior in students, employees are expected to do the following:
 - 7.1.1.1. Strive to be a person of integrity, use clean speech and practice desirable personal habits;
 - 7.1.1.2. Elevate the standards of his/her position by a high quality of service;

- 7.1.2. To assist Classified Employees in achieving the goals set forth above, administrators and fellow employees shall give assistance, encouragement and instruction to help employees progress and improve.

7.4.2. Line and Staff Relations

7.4.2.1. The Board desires the Superintendent to establish clear understandings on the part of all personnel of the working relationships in the school system.

7.4.2.2. Lines of direct authority shall be those approved by the Board and shown on District organization charts.

7.4.2.3. Personnel shall be expected to refer matters requiring administrative action to the administrator to whom they are responsible. That administrator shall refer such matters to the next higher administrative authority when necessary. Additionally, all personnel are expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

7.4.2.4. It is expected that the established lines of authority will serve most purposes. But all personnel shall have the right to appeal any decision made by an administrative officer through grievance procedures established through Board policy.

7.4.2.5. Additionally, lines of authority do not restrict in any way the cooperative, sensible working together of all staff members at all levels in order to develop the best possible school programs and services. The established lines of authority represent direction of authority and responsibility; when the staff is working together, the lines represent avenues for a two-way flow of ideas to improve the program and operations of the school system.

7.5. Staff Conflicts of Interest

7.5.1. No employee of the District shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his or her duties and responsibilities.

8. EVALUATION OF PERFORMANCE

8.1. Evaluation and Documentation of Employee Performance

- 8.1.1. Documentation of an employee's job performance is helpful in maintaining satisfactory levels of work and achievement and in providing opportunities for planning and communication between the employee and the immediate supervisor.
- 8.1.2. Evaluations will be related to job performance, professionalism, and attitude and shall provide information to the employee to assist in increasing his / her work efficiency and effectiveness.
- 8.1.3. Evaluations will be used in providing information for making transfers, promotions, reductions in staff, and dismissal, if necessary.
- 8.1.4. Written documentation regarding unsatisfactory job performance may be submitted by an employee's supervisor whenever the supervisor feels it necessary.
- 8.1.5. Letter of commendation and other written reports to document outstanding job performance are encouraged.
- 8.1.6. All performance documentation letters or reports should be submitted to the District for placement in the employee's personnel file.
- 8.1.7. Before submission of any performance documentation, letters, or reports, each employee shall have an opportunity to review them, sign them, and to keep a copy. Such signature indicates only that the employee has read the materials and is aware of the contents.
- 8.1.8. If the employee feels that any performance documentation submitted by the supervisor is incomplete, inaccurate, or unfair, the employee shall have the right to submit to the District office within ten (10) days the employee's own written statement which has been signed by the supervisor and placed in the file. Such signature indicates only that the supervisor has read the material and is aware of the contents.

9. FILES AND RECORDS

The official personnel file located in the District Office pertaining to an employee shall be maintained under the following conditions:

- 9.1. The employee has the right to examine the contents of his or her file.
- 9.2. Material originating with the District relating to an employee's conduct, service, character, personality, and which might be considered derogatory, shall not be placed in an employee's file unless the employee has been notified and had an opportunity to read the material.
 - 9.2.1. The employee must acknowledge that the material has been read by affixing his/her signature on the actual copy to be filed. Such signature does not necessarily indicate agreement with the content of such material.
 - 9.2.2. If an employee refuses to sign material being placed in the file, the administrator may place the material in the file and shall indicate the refusal and sign and date the document.
 - 9.2.3. A written decision following a grievance hearing may be placed in the employee's file without the employee's signature, but the employee must be given a copy of the decision and notified that it is being placed in the file.
- 9.3. The employee shall have the right to answer any material filed, and his/her answer shall be reviewed by the Superintendent or the Superintendent's representative and attached to the file copy.

10. ASSIGNMENTS AND TRANSFERS

12. GRIEVANCE

12.1. Definitions

- 12.1.1. A "grievance" is a claim based upon an event or condition which affects the interpretation, meaning, or application of any of the provisions of this Handbook. It is expressly understood that a claim which is not based upon an event or condition of this Handbook does not constitute a grievance. Specifically, a grievance may be filed only when an employee alleges a denial of a protected liberty or property interest, including disciplinary action or termination, as a result of one or more of the following by the District: (a) violation of law, (b) violation of contract, or (c) violation of policy.

12.2. Purpose

- 12.2.1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may arise from time to time. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure. 12.4.1. General Provisions

- 12.4.1.1. Nothing herein contained will be construed to limit the right of the aggrieved person to appeal the matter to a higher level as outlined in the grievance procedure.
- 12.4.1.2. When a grievance is based on termination or disciplinary action taken by the Human Resources Department, the employee is not required to request either a Preliminary Conference or an Informal Hearing but may instead com-

mence the grievance proceeding by filing a written grievance at Level One with the Assistant Superintendent as described below. The request must be filed within fifteen (15) days after the employee knew or should have known of the event or condition on which the grievance is based.

- 12.4.1.3. An aggrieved person should not contact School Board members regarding any grievance or concern that may be resolved through the procedures outlined in this section except through the approved process.
 - 12.4.1.4. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be deemed a withdrawal of the grievance.
 - 12.4.1.5. Each level of the grievance procedure is a de novo review of the prior decision. The person(s) hearing the grievance may issue a new decision, including greater, lesser, or alternative disciplinary measures, beyond merely upholding or denying the prior decision.
- 12.4.2. Preliminary Conference. Except as otherwise provided in subsection 12.4.1. above, prior to requesting an Informal Hearing as outlined in subsection 12.4.3., an employee shall first discuss the concern with the employee's principal or immediate supervisor with the objective of resolving the matter at the lowest level possible. If the subject of the concern is the employee's principal or immediate supervisor, the Preliminary Conference shall be held with the coordinator or director who oversees that principal or supervisor.
- 12.4.2.1. The employee may be accompanied and represented by a person of the employee's choosing.
 - 12.4.2.2. The concern must be presented within fifteen (15) days after the employee knew, or should have known, of the act or condition on which the concern is based.
- 12.4.3. Informal Hearing. If the employee is not satisfied with the outcome of the Preliminary Conference, he/she may discuss the concern at an informal hearing before the Director of Human Resources.
- 12.4.3.1. The Informal Hearing must be requested within fifteen (15) days of the Preliminary Conference.
 - 12.4.3.2. The request for an Informal Hearing is not required to be in writing.

- 12.4.3.3. The employee may be accompanied and represented by a person of his/her choosing at the Informal Hearing.
- 12.4.3.4. The decision of the Director of Human Resources may be issued verbally.
- 12.4.4. Level One. If the concern is not resolved at the Informal Hearing, the employee may file a formal written grievance with the Assistant Superintendent.

 - 12.4.4.5. The decision of the Assistant Superintendent must be issued in writing.
- 12.4.5. Level Two. If the aggrieved person is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within fifteen (15) working days after presentation of the grievance, or longer if agreed upon by all parties, he/she may file the grievance in writing with the Superintendent.
 - 12.4.5.1. The grievance at Level Two must be filed within five (5) working days after the decision at Level One is issued.
 - 12.4.5.2. The grievance at Level Two must be filed in writing.
 - 12.4.5.3. The aggrieved person may be accompanied and represented by a person of his/her choosing at the Level Two hearing.
 - 12.4.5.4. The decision from the Superintendent must be issued in writing.
 - 12.4.5.5. Except in cases of employment termination, the Superintendent's decision is final and may not be appealed to the Board of Education.
- 12.4.6. Level Three. The grievance of a decision to terminate an employee's employment may be appealed to the Board of Education in the event the grievance is not resolved at Level Two.

- 12.4.6.1. The request for a Level Three hearing must be delivered in writing to the Superintendent within five (5) working days of the Level Two decision.
- 12.4.6.2. The Board may decide to hear the grievance or appoint a hearing officer or panel to hear it. If the grievance is heard by a hearing officer/panel, the cost of such shall be divided equally between the District and the employee. The hearing officer/panel will hear the grievance and make a recommendation to the Board, but the Board will make the final decision.
- 12.4.6.3. The aggrieved person may be accompanied and represented by a person of his/her choosing at the Level Three hearing.
- 12.4.6.4. In accordance with UTAH CODE ANN. § 53G-11-515, the aggrieved person at a Level Three hearing has the right to counsel, to produce witnesses, to hear testimony against him/her, to cross-examine witnesses, and to examine documentary evidence.
- 12.4.6.5. The grievance shall be heard and a decision issued within a reasonable time.
- 12.4.6.6. The Board will issue a new decision and may alter in any way the prior decision. The Board's decision will be final.

12.5. Miscellaneous

- 12.5.1. Except for a written final decision at any level, all documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants. The written final decision at each level shall be filed in the personnel file following appropriate notification procedures as outlined in Section 9 of this Handbook.
- 12.5.2. Prior to a Level Three hearing, all parties of interest shall make available to the parties involved and their representatives, all pertinent information not privileged under law in their possession or control, and which is relevant to the issue raised by the grievance. Additional sources of information shall not be introduced at the hearing.
- 12.5.3. - 14.3.1.6.1. Any employee who has worked at least one-thousand-two-hundred-fifty (1,250) hours in the preceding twelve months is entitled to take up to twelve (12) work weeks of unpaid leave during a twelve- (12-) month period: (a) to care for a newborn or newly placed adopted or foster child; (b) to care for a seriously ill spouse, child or parent; or (c) to care for one's own serious health condition.
 - 14.3.1.6.2. To calculate available FMLA leave, the District uses a rolling 12-month period measured backward from the date an employee uses any FMLA leave.
 - 14.3.1.6.3. The employee using FMLA leave receives no change to insurance coverage during the leave and must be returned either to the former position he/she had before the leave, or to an equivalent position in pay, benefits, and other terms and conditions of employment.
 - 14.3.1.6.4. Employees eligible for FMLA leave who have accrued sick leave are required to substitute

the accrued sick leave for FMLA leave, consistent with 29 CFR 825.207, so that the sick leave and FMLA leave run concurrently.

14.3.1.6.4.1. Under the Code of Federal Regulations, the term “substitute” means that the paid sick leave will run concurrently with the unpaid FMLA leave, so that both are used simultaneously. Thus, a single absence that qualifies for both sick leave and FMLA leave will use up both a day of accrued sick leave and a day of allotted FMLA leave.

14.3.1.6.4.2. This provision is applicable only when the condition for which the FMLA leave is taken also qualifies for sick leave. For example, an employee who takes FMLA leave to care for a family member will receive the unpaid FMLA leave rather than the employee’s paid sick leave.

14.3.2. Personal Leave

14.3.2.1. Full-time employees may be granted personal leave in the amounts and subject to the conditions set forth herein.

14.3.2.2. Purpose. This benefit may be used for absences for any purpose.

14.3.2.4. Use. An employee may use personal leave by prior notification to the supervisor.

14.3.2.5. Annual Allocation. Each July 1, eligible employees are granted the following amounts of personal leave. However, notwithstanding the amounts listed in the table below, an eligible school-year employee in year five (5) is granted four (4) days only if the employee has been

granted career status; if the employee remains on a provisional contract in year five (5), the employee is granted three (3) days.

School-year employees		Year-round employees	
Years	Days	Years	Days
1	3	1	8
2	3	2	9

13	5	13	20
14+	5	14+	22

14.3.2.6.1. A school-year employee may carry ten (10) days of unused personal leave into the next contract term. This is the maximum amount of personal leave a school-year employee may have in the employee’s leave bank on June 30 to be rolled over, and on July 1 the new annual allocation based on the table in paragraph 14.3.2.5 is added to the amount rolled over.

14.3.2.6.2. A year-round employee may carry up to thirty (30) days of unused personal leave into the next contract term. This is the maximum amount of personal leave a school-year employee may have in the employee’s leave bank on June 30 to be rolled over, and on July 1 the new annual allocation based on the table in paragraph 14.3.2.5 is added to the amount rolled over.

14.3.2.7. Buyout

- 14.3.2.7.1. At the end of each contract term, a school-year employee will be paid at the employee's hourly rate for twenty percent (20%) of the employee's unused personal leave beyond the maximum carryover amount as described in subsection 14.3.2.6.
- 14.3.2.7.2. A school-year employee will, upon termination or retirement, be compensated at the employee's then hourly rate for up to ten (10) days of the employee's unused personal leave.
- 14.3.2.7.3. A year-round employee will, upon termination or retirement, be compensated at the employee's then hourly rate for up to thirty (30) days of the employee's unused personal leave.
- 14.3.2.8. When an employee wants personal leave for consecutive work days, he / she must receive prior written approval from his / her immediate supervisor before taking the leave. The employee will notify his / her immediate supervisor before taking personal leave for one (1) day or less. It is the intent of the District that school-based employees should be discouraged from taking prolonged personal leave when school is in session. Under extenuating circumstances, prolonged personal leave may be granted during the school year if approved by the immediate supervisor and the Superintendent or his / her designee.

14.3.3. Bereavement Leave

- 14.3.3.1. Employees in this category will be allowed up to five (5) days paid leave for bereavement for the death of a relative during the Contract Term. The days used for bereavement do not reduce the number of PTO days of the employee, nor do they accumulate beyond the end of the Contract Term.
- 14.3.3.2. To qualify for bereavement leave, the deceased must be related to the employee as follows: father, mother, brother, sister, brother-in-law, sister-in-law, daughter, daughter-in-law, son, son-in-law, father-in-law, mother-in-law, step-parent, step-sibling and spouse of employee; grandchildren of employee, grandparent of employee, grandparent

of employee's spouse, or person residing in the employee's household. A statement indicating the relationship of the deceased must be filed upon return.

14.3.4. Paid Holidays

14.3.4.1. Employees in this category are granted thirteen (13) paid holidays during the Contract Term.

14.3.4.2. The thirteen (13) paid holidays and their exact dates are determined by the Board and specified in the official school calendar.

14.3.5. Leaves of Absence

14.3.5.1. A leave of absence without pay and for up to one (1) year in length may be granted by the Board of Education to a career Classified Employee. In order to be considered, the employee shall submit a written request to the Director of Human Resources which includes the purpose of the leave, the length of the leave requested, and the beginning and termination dates of such leave.

14.3.5.2. Leaves of absence without pay should be granted only to improve the professional training of the Classified Employee or for prolonged illness. However, the Board of Education may grant a leave of absence for any purpose they deem reasonable.

14.3.5.3. Length Restrictions. Leaves of absence without pay shall not be granted for more than one school year, but may be extended on a year to year basis by the Board of Education. In the case of prolonged illness, the Board may set any time limit they deem necessary.

14.3.5.5. Hold Harmless; Loss of Benefit. When an individual is functioning under a contract that provides any "hold harmless" options and that individual goes on a "full" year's leave without pay, they will lose those protected benefits on return. "Full" shall mean that employee's full contract year.

- 14.3.6. Workers' Compensation. Employees on Workers' Compensation will be paid only at their rate established by Workers' Compensation. There will be no partial payment from sick leave; it must be one or the other.
- 14.3.7. Jury and Civic Duty Leave
 - 14.3.7.1. Absences caused by serving on jury duty will create no loss of salary for employees.
 - 14.3.7.2. Absences caused by serving as a subpoenaed witness in a lawsuit arising out of the employee's official capacity and in which the District is a named party will create no loss of salary for the subpoenaed employee.
 - 14.3.7.3. All remuneration paid by the court will remain the property of the employee.
- 14.3.8. Military Leave. The District will comply with the Uniformed Services Employment and Re-employment Act (USERRA), as amended.

- 15.1.1. Insurance Committee Representatives. Representation from the Classified Employees shall be included in any review, evaluation, or change in existing group medical insurance plans offered to employees.
- 15.1.2. Minimum Eligibility Requirements. Employees hired to benefited positions, as described in Section 4 of this Handbook, are eligible for health insurance. Notwithstanding the foregoing, employees eligible for a health insurance offering under the Affordable Care Act (“ACA”) shall be extended such an offering, which is only the minimum required under the ACA.
- 15.1.3. Open Enrollment. The open enrollment period for an employee to enroll in the District’s health insurance shall be at least thirty (30) consecutive days. - 15.1.5. Upon the death of any employee, insurance coverage for the spouse and children will continue until the last day of the month in which the employee died, at which point it will be discontinued and the family will need to secure other insurance coverage.
- 15.1.6. Employees must notify the Department of Human Resources within thirty (30) days of any change to their family status, such as birth, adoption, marriage, or death of a covered family member. The pen-

alty for failing to do so will be that the individual will have the differences in the amounts paid to the insurance carrier for the overpaid period deducted from their pay.

- 15.2. Limited Death Benefit. Should any benefited employee die who is not covered by a life insurance policy which is partially or entirely paid for by the District, the equivalent of a usual month's salary for that particular individual will be paid to the estate of said employee.
- 15.3. Life Insurance Benefit. The District provides life insurance to benefited employees. The policy includes a \$29,000 double indemnity term life insurance policy, with a \$5,000 spouse and a \$3,000 per dependent clause.
- 15.4. Long-Term Disability Insurance. The District provides long-term disability insurance to benefited employees. The long-term disability insurance is a salary indemnity plan guaranteeing sixty (60) percent of the employee's regular salary in the event of a qualifying disability as determined by the insurance provider.
- 15.5. Workers' Compensation. All employees are covered by insurance in case of injury on the job. It is required that a report of all accidents be made to the District office within twenty-four (24) hours of the injury.
- 15.6. Medical and Life Insurance Constraint.
