

SIS Grades and Attendance

Students can login to SIS using their student ID as their username and the password that has been created for them. Parents can create their own username and password to access all of their students in Nebo School District and to update student information.

If you have already created a parent username and password:

- * Go to: www.nebo.edu
- * Click on Parents
- * Select SIS Grades/Attendance
- * Click Log in to SIS
- * Enter your username and password and click "Login"
- * Be sure to verify your contact information the first time you login by clicking "Please verify that your information and your student's information is correct." If you need to make any changes to the contact information, click the "Edit" button on the box of information you would like to change.
- * To view your student's grades and attendance click the "Student Summary" button. If you have more than one student enrolled in Nebo School District, you will select the student you would like to view.
- * Grades will appear on the screen and you can click on each class for a detailed progress report. You can also email teachers from this screen by clicking the "Email" button under each individual teacher, or email all teachers at once by clicking the "Email All Teachers" button at the bottom of the screen.
- * A detailed attendance report can be viewed by clicking the "i", button at the top of the Student Summary Screen.

To create a parent SIS user name and password:

- * Go to: www.nebo.edu
- * Click on Parents
- * Select SIS Grades/Attendance
- * Click Log In to SIS
- * Click request a username
- * Enter one of your student's (ID) identification number and birth date (MM/DD/YYYY).
Note: The identification number is the same as the student's lunch number and also can be found on report cards, transcripts, student body cards or by calling your student's school
- * Click "Lookup Student"
- * Confirm you have selected the correct student
- * Choose a contact
- * Choose a username and password (the password must be at least 8 characters long and contain at least 1 letter and at least 1 number)
- * Click "Create Account"
- * Arrow back to log in screen and enter parent username and password.
- * The first time you log in, it will ask you to *verify* and update contact information.

Once your account has been created, you can update student information, check grades and attendance, and print report cards or transcripts. When you are finished checking your student's information be sure to log out.
